

GENERAL INFORMATION

CAGGTUS 2024 is getting closer and closer, and so is our beloved LAN party. So that you are perfectly prepared, you can find some important information and a checklist here! Everything else can be found on our website in the LAN-FAQ under the following link: <https://www.caggtus.de/en/areas/lan-area/>

Please also respect the general terms and conditions as well as the house rules of Leipziger Messe, during your stay on the exhibition grounds. You can find those [here](#).

Any form of discrimination is prohibited during the event and can end with immediate referral.

SECURITY NOTE

You are completely responsible for the safety of your items (e.g. gaming chairs, hardware or personal items). Please bring enough cable ties, safety locks or similar and secure your hardware. Always carry small valuables with you when you leave your seat or ask your friends or neighbors to keep an eye on your belongings. You can also use one of the lockers that are available on site. Never leave your cell phone or wallet in plain sight.

THESE THINGS ARE ALREADY ON-SITE

To make yourself as comfortable as possible, we have already prepared some things for you. These include ovens, microwaves, kettles and a kitchen area with water connection.

In addition to the table area of 90x80cm and a conference chair the **Beginner and Expert LAN Seats** will be equipped with a LAN-Cable, electrical connection without distribution boards and garbage bags.

The limited **Legend Upgrades** contain a PC, periphery, a gaming chair, a table area of 180x80cm as well as a guaranteed goodie bag.

Goodie bags are generally limited and will be available in our shop for additional services in near future. Only owners of the Expert LAN Seat will have the chance to get one of the coveted small bags for free. Among other things they will include a [2024 mousepad](#), a [bottle](#) as well as the official [2024 CAGGTUS pin](#).
